

The BankFirst Debit Card

Easier than Writing a Check

The BankFirst Debit Card lets you make purchases by using the funds from your checking account. Shopping and purchasing is much more convenient with your Debit Card because you:

- Don't have to carry a bulky checkbook
- Don't have to wait for check approval
- Don't have to provide additional identification

Easy to Make Purchases

At stores, restaurants and other merchants that display the MasterCard® logo, your BankFirst Debit Card is accepted just like a credit card, making it convenient for everyday shopping and travel. But remember, it's not a credit card, so there are no interest charges. Simply use the Debit Card, and your purchase will be deducted right from your checking account. To make an on-line purchase or to place a phone order, simply provide your card number and expiration date.

Easy to Get Cash

At Automated Teller Machines (ATMs) worldwide, your BankFirst Debit Card works just like a regular ATM card, using your Personal Identification Number (PIN) wherever you see a MasterCard®, PULSE® or Cirrus® logo displayed. Use it to withdraw cash, obtain your balance, make a deposit, even transfer funds.

Easy to Apply

To get a BankFirst Debit Card of your own, simply take a moment to fill out the application. Then mail the application to your BankFirst office. If you have any questions, please call us at 662-726-6030.

Your new BankFirst Debit Card and PIN will be mailed to you. As soon as you begin to use it, you'll wonder how you ever got along without your new Debit Card from BankFirst!
